ABOUT KINGDOM PLACE

Contact us for additional models, layouts and features:
Homes@kingdomPlaceHomes.com

Kingdom Place is a new community featuring beautiful single-family homes nestled within a charming natural environment. It offers the conveniences of modern features, finishes, and options, all designed and built with the highest level of precision and craftsmanship.

The residential community is blessed with the intrinsic benefits of its immediate area, including natural beauty, foliage, local Amish culture, and numerous shopping, dining, and entertainment venues located within minutes. Most notably, it is conveniently located in close proximity to desirable schools, colleges, and universities, making Kingdom Place an ideal setting for families to enjoy modern living combined with excellent educational options.

Development Highlights

- 1-acre home sites
- Green building technology with superior construction and insulation
- All homes include 2-car garages and offer numerous deluxe features, options and upgrade selections
- Smart home and solar energy upgrades available
- Select from twenty cape cod, ranch style, and two-story home models with a distinct variety of floor plans and layouts designed to suit your lifestyle
- Financing available

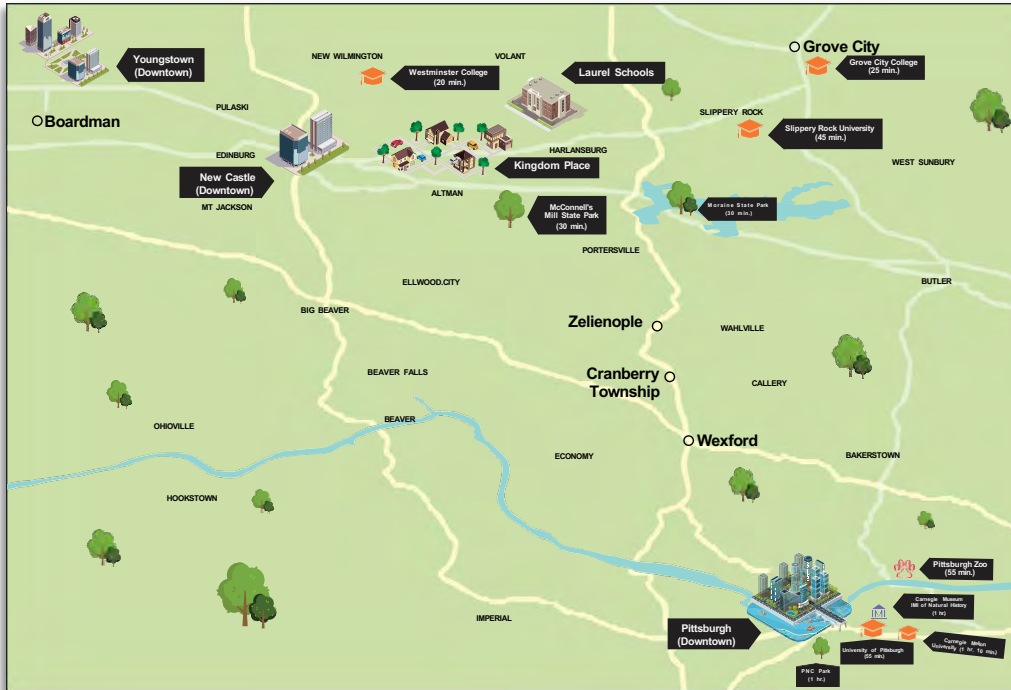

At Kingdom Place, buyers can pre-order their home and select their home site, finishes, features, and options in advance, ranging from deluxe models to luxurious selections.

Kingdom Place is currently the only new single-family home community available in the area. It is a unique neighborhood of private homes nestled in a lush, safe and natural environment, offering the privacy and beauty of nature, yet with the conveniences of city living and amenities just minutes away.

A GREAT PLACE TO LIVE
